

# Health, strength & vitality!

## **Injection for Double Chin**

**Kybella One Box = 4 vials for \$1,600  
(\$400 each vial)**

**Regular cost is \$600 per vial**

The amount of Kybella needed is going to depend on the patient and how much fat there is to be dissolved.

Often 2-4 treatments are recommended but it does vary on the individual, so it is possible you may need less.

**Offers valid till 03-30-18.  
Must present ad.**

## **Testosterone Therapy**

**Program \$199/month**

**Includes all initial labs, physical and  
estrogen inhibitor medication**

Benefits of testosterone: Testosterone does more than just promote a healthy sex drive. It improves confidence, mood, fights depression, reduces belly fat, increases bone density and muscle mass.
